AGENDA ITEM:	Learning Collaborative and RC Summit
PRESENTER:	James Corbett

### DISCUSSION:

The Learning Collaborative is June 26 & 27<sup>th</sup>, and RC Summit is June 28<sup>th</sup> in Boise. The agendas are not available yet. The state is working on trying to get a video or conference call option.

---

AGENDA ITEM:	RC "Showcase"
PRESENTER:	James Corbett

### DISCUSSION:

James let the group know about this upcoming phone call. The call is for SHIP managers with CMMI, and each region is going to answer some topic area questions related to the Regions Collaborative. James quickly went through each question and made sure everyone was on the same page for what our RC had done, and to see if there were additional suggestions for answers.

ACTION ITEM	PERSON RESPONSIBLE	DEADLINE
▪ James present the answers at the RC "Showcase"	James	4/6/2017

---

AGENDA ITEM:	RC Agenda and Schedule
PRESENTER:	Group

### DISCUSSION:

All but one clinic has given us their CQM numbers for the meeting next week. We have found that not everyone can CQM, specifically our pediatric clinics. The data from the clinics is also accurate this time. Corinne and Nicole will highlight some of the bigger changes to the 2017 NCQA standards. The clinics have until September 30<sup>th</sup> to submit for 2014 standards. We will be having 2 presentations from community partners: IPUL and Free Med.

- 

AGENDA ITEM:	Roundtable/ Q&A
PRESENTER:	Group

## DISCUSSION:

The Care Coordinator call has been going really well. The next call is in May. The group is now growing with the addition of cohort 2. The care coordinators are the ones who make the agenda and conduct the calls. We are discussing having a separate call for the pediatric clinics.

Clinics are still facing issues with IHDE on this side of the state. There is talk that IHDE will team up with Utah's HIE.
